A 50% visitor's berthing discount for up to three days per year in each member marina.

To benefit from this offer, the marinas members will have to display their marina card on arrival otherwise no discount will be accepted.

Any additional benefit shall be at the discretion of the individual marina.

It is advisable to contact the marinas before coming to check the number of berths available, mainly in high season.

Marinas participate to the economic development of nautical industry and tourism in all countries.

18 North sea and deltas marinas have joined forces to offer their bertholders a new opportunity to cruise into their network

This agreement gives you even more freedom to explore any of the 18 marinas.

ENJOY BOATING !
